

## **Microsoft Reporting Services Specialist**

Mission critical enterprise application design & delivery is what we do. Osprey Software & Systems is a leading software application development firm that specializes in the architectural design and delivery of complex business solutions.

We focus on insuring that our client's mission critical business applications result in a substantive business outcome. We combine a powerful blend of architectural expertise, business knowledge and proved technology expertise with an effective partnership process.

We have a great opportunity for a full-time (will consider consultant) Reporting Specialist to work with one of our premier clients in the Boston area! In this role, you will be responsible for designing, developing, and deploying a reporting and executive dashboard system utilizing Microsoft Reporting Services, SQL Server 2005, & SharePoint Server.

### **SPECIFIC RESPONSIBILITIES:**

- Provide client with timely access to system data and ad hoc reporting requirements through use of Microsoft report writing tools
- Translate clients' data requests into end-user reports for data analysis and management reporting

### **REQUIRED QUALIFICATIONS and SKILLS:**

- • Familiar with MS Reporting Services, SQL Server 2005.
- • MS SharePoint & Crystal Reports are a plus.
- • College degree or equivalent work experience.
- • Understand complex data models and structures used in relational databases.
- • Some programming skills and the ability to develop and deploy basic SQL code modules.
- • More than 2 years experience in relevant roles.
- • Ability to work on multiple projects and be flexible to adapt to any given situation.
- • Ability to effectively communicate verbally and in writing to all levels of the organization
- • Exceptional customer service attitude and interpersonal skills.
- • Strong analytical and problem-solving skills.
- • Background in logistics and asset management is a plus.
- • Background in SQL Replication is a plus.

We offer an excellent compensation and benefits package and an opportunity to learn, grow and contribute in a stimulating, fast-paced environment where individual contributions are recognized and rewarded.
